## MAYSVILLE MAY HAVE NIGHT SCHOOL

**BOARD OF EDUCATION PLANS TO HAVE FREE NIGHT SCHOOLS FOR BOYS AND GIRLS OF THIS CITY; MOST PROGRESSIVE MOVE IN THE HISTORY OF MAYSVILLE PUBLIC SCHOOLS.**

If the plans of the Board of Education and Superintendent W. J. Caplinger mature the boys and girls of this city who are unable to complete their High School education will have the opportunity to do so.

It is planned to have a night school at which the most useful studies will be taught to the children of school age. Two courses are under consideration. The first course is the commercial, in which bookkeeping, stenography and business arithmetic will be taught. The following requirement, it is thought, will be necessary to enter this course: First, that the student be of school age, that is under 21; any student over age will have to pay a small tuition fee. Second, the student must be a graduate of the High School or have at least two years of High School work or have enough business experience to keep up with the course. This plan will enable every boy and girl in this city to take a good business course. Mr. W. M. Jones, supervisor of the business course in the High School, will have charge of the night school.

The second plan is more democratic and under it the following requirements are to be necessary: First, every student must be of school age or pay a small tuition fee. Second, the student must be a graduate of the graded schools.

The second plan offers the following studies to the scholar: Spelling, reading, grammar, business arithmetic and business training. This plan, if adopted, will require the services of three teachers who will be chosen later.

The school will be held three times during each week. The establishing of a night school marks the most progressive step ever taken along educational lines in the history of the public schools of Maysville and the Board of Education and Mr. Caplinger will have the unanimous support of the citizens.

The Board of Education will meet in a few days and definitely decide upon the plan to be adopted.

## WRECK ON O. R. & C.

**PASSENGER COACH HANGS ON EDGE OF TWENTY-FOOT EMBANKMENT—FREIGHT CAR GOES THROUGH TRELLIS AND ROLLS TO THE BOTTOM.**

(Dover News.)

A thunderous crash aroused the citizens of Dover Wednesday at 11 a. m., when an O. R. & C. train met with a serious accident just east of Levanna, near the Pangburn residence and opposite Dover.

The wreck was due to rotten ties on a trestle which gave way just as the engine passed over. The train was composed of the engine, a passenger coach and a freight car.

The freight car broke loose from the engine and passenger coach and went over a twenty-foot embankment, alighting bottom side up. The passenger coach, containing eight or ten passengers, would have met the same fate as the freight car had it proceeded ten feet farther. Luckily, however, it remained on the trestle, the passengers escaping serious injury and probably death.

The freight car was loaded with heavy groceries, including several barrels of gasoline in iron containers, which plunged through the roof of the car, adding to the noise of the wreck.

President and General Manager Finger arrived on the scene from Ripley shortly after the accident occurred. He at once began cleaning up the wreckage and expects to have the road cleared for traffic by Thursday.

The O. R. & C. railroad is already in the hands of a receiver, but since no one was injured, the wreck will not prove costly.

## "MAN FROM MAYSVILLE" MAKING GOOD IN THE WEST.

Friends in this city have received word from William "Hobson" Viceroy, a Maysville boy, who is working as a telegraph operator on the Chicago, St. Paul, Minneapolis & Omaha railroad at Wayne, Neb., saying that he is in line for promotion to the position of chief train dispatcher of that line. Another good example of the where the "Man from Maysville" is making good. "Hobson" says that the west is the ideal place to live, but wishes that he was back in Maysville now and then.

## FOR SALE.

Mason county farm, 122 acres. Must be sold at once. No waste land, on a good pike, well watered, with never failing spring; good dwelling house; two good cisterns, pump and sink in kitchen; a good cellar under house; adjoining farms valued at \$100 per acre. Will sell at a sacrifice price, \$65 per acre, if sold at once. Need the money for other investments contracted for. A great bargain for some one. J. M. COLLINS, Attorney.

## DESPONDENT GIRL SHOOTS SELF

**MOLLIE MARLIN, A DOMESTIC, ATTEMPTS TO TAKE HER LIFE BY SHOOTING.**

Thursday afternoon about 5 o'clock Mollie Marlin, aged 21, employed as a maid at the home of Mr. Ferdinand Hechinger, on West Front street, attempted to take her life by shooting herself in the breast with a .32 caliber pistol.

Miss Marlin came to this city about six months ago from Indiana. She stayed a few weeks and then returned to her home, but again returned here two weeks ago and secured employment in the home of Mr. Hechinger, where she gave satisfaction and apparently was well satisfied with her surroundings.

For the last week she has been in a despondent mood and had remarked to her friends that she was tired of living. Thursday afternoon about 3 o'clock she called at the home of Mrs. Herbert Ashcraft, a neighbor, and seemed to be unusually despondent, threatening to throw herself under the wheels of C. & O. train No. 3, which was due to pass there about that time. However, Mrs. Ashcraft talked to her and seemed to cheer her a little, and she left in apparently good spirits.

Her looks, however, deceived her friend, for as soon as she left the Ashcraft home she went into the Hechinger residence and took a .32 caliber revolver from a drawer in Mr. Hechinger's room and walked down to the river bank to the foot of Lower street, where she placed the gun against her bosom and fired.

Dr. Allan Dodson, who was repairing his boat nearby, heard the report and ran into the willows and found the unfortunate girl lying in a pool of blood. He quickly summoned a physician much against the will of Miss Marlin, who asked that she be allowed to die. Capron Bros. truck was procured and the young woman taken to the Hayswood Hospital where, after an examination of the wound, doctors say she has a chance for recovery.

## DEMOCRATS TO HOLD BARBECUE

**PRESIDENT WILSON AND A. O. STANLEY TO BE AMONG SPEAKERS IF PLANS WORK OUT FOR BIG DAY—THOUSANDS TO ATTEND.**

Thursday evening Democrats of the county met in Circuit Clerk James B. Key's office and made plans for a big barbecue to be held in the near future. The following were in attendance: Mike Brown, chairman, John W. Eitel, M. J. McCarthy, James B. Key, Judge C. D. Newell, James J. Owens, A. G. Sulser, S. F. Reed and W. H. Rees.

They propose to hold a barbecue at an early date which will rival the great barbecue given by Hon. J. N. Camden at Versailles a few years ago. The big event will take place on beautiful Edgemont, the new suburb above this city on the Lexington pike, and if the weather is inclement the affair will be held in one of the big tobacco warehouses in the East End. The committee hopes to get President Wilson here for the day and no doubt will succeed as Senator Ollie James says that the President will visit Kentucky this fall.

The present candidate for Governor, A. O. Stanley, will be here, as will be other speakers of prominence.

Whether the plans will mature or not will be made public in a few days, but from the present outlook it appears as if the Democrats will have a big day.

## MRS. MADISON LINDSAY IS DEAD.

Mrs. Madison Lindsay died at the family residence on Thursday evening after an illness of only a few weeks.

Mrs. Lindsay was Miss Lydia C. Childs before her marriage to Mr. Lindsay on January 24, 1905, and was one of Maysville's most charming and popular young ladies. Her sweet disposition and grace of manner won for her the love and esteem of every one and a host of friends will mourn her untimely death.

Mrs. Lindsay is survived by her husband and one son, Madison, Jr., aged 6 years, and three sisters, Misses Margaret and Susan Childs, and Mrs. Bessie C. Alexander.

The funeral will take place Saturday afternoon from the late residence, Rev. D. Barbour officiating. Interment in the Maysville cemetery.

The domestic science classes at the Maysville High School have started sewing lessons and almost any time during the day scholars can be seen pushing the needle through the goods. A few months of this work and some expert seamstresses will be graduated.

## A GREAT REDUCTION

In going over our stock we find that we are OVERLOADED, and have decided to REDUCE STOCK, and it goes at cost.

This space will not permit us to list it all. One great bargain is 100,000 feet of an EXCELLENT GRADE OF OAK SIDING. This goes at \$2 PER HUNDRED. All other yard stock greatly reduced.

Don't miss this opportunity to get what you want in lumber and building material at the lowest prices ever known in Maysville. Terms at this reduced price are CASH.
